

Year 5 Homework Autumn Term 2024

This overview gives you some ideas of how to keep on learning at home. I have set you some challenges to complete for all of the subjects we look at in class, or based on the prior learning missed.

Don't forget:

- ◆ A lot of your homework challenges will be revisiting 'sticky' knowledge' from topics you have learnt in class. Sticky Knowledge Organisers are available on the school website.
- ◆ Try to complete at least 1 piece of home learning a week.
- ◆ You still need to ensure you are practising your weekly spellings and times tables tasks at home. Furthermore, you must still ensure you are reading daily as well.

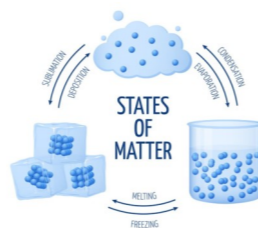

History:

Topic: Anglo-Saxon settlements
Create a fact file to answer the question "who were the Anglo-Saxon?"

Things to consider in this fact file:
Where did they come from?
When did they come to Britain?
What did their settlements look like?
What jobs did they have?
What did they believe in?
Use the following website to help:
<https://www.bbc.co.uk/bitesize/topics/zxsbcdm>

Science:

Chemistry: Everyday Materials and their Physical Properties.
Can you collect a range of objects from around your house (with adult permission) and compare and group these items based upon their properties. Think about how you can represent this data to show the items properties similarities and differences.

English:

Fiction: Outlaw

Non-Fiction: Earth Shattering Events

Poetry: The Cave of Curiosity

Children should create a comprehension using a book they have read. This should include questions and answers.

Challenge: Create 6 questions using each one of the VIPERS reading strategies.

Vocabulary
Infer
Predict
Explain
Retrieve
Summarise

Maths:

Topic: Place Value, Addition and Subtraction.

Please ensure you are completing your daily 10 minute times table practice on TT Rockstars.
Children must also complete homework sent out based on the topics taught that week. This will help all children with their understanding of arithmetic taught in class.

If children are struggling with work. Please don't hesitate to ask your teacher when they return and we can provide more support.

Geography:

Topic: Local Area Fieldwork, Investigating other UK counties.

Pupils to create a table of similarities and differences between Blackburn and Glamorgan. Children should do this using the knowledge they have learnt in the classroom as well as their own research.

R.E.

Topic: How and why do Christians read the Bible?
Children to write a report comparing the similarities and differences between the Bible and the Torah.

D.T.:

Topic: Rockets.

Can you make your own rocket? Think about the design, and how you are going to construct the rocket.

Computing:

Topic: Variables and Rockets.

Can you write an online review of your rocket? Think about the sub-headings that you use, and the information you submit about your rocket design / model.

P.S.H.E.

Topic: Healthy Lifestyles.

Can you create a poster to inform someone on how to maintain a healthy lifestyle? Think about your daily routine, and how you can ensure that you are making the best physical and mental choices for yourself.

P.E.:

Topic: Handball

Children are to practise a range of Handball passes such as: Overarm pass, Bounce pass Flick pass.

To evidence this, pupils must take a picture of themselves practicing the techniques.

Art:

Topic: Acrylic Layer Painting.
Can you draw a plan for a acrylic layer painting using the style of David Hockney. Think about what type of images he paints and they style in which they are made.

Music:

Topic: Classroom Jazz.

Can you make a leaflet to explain what Jazz music is? Where did it come from? What instruments are used? Who are famous Jazz musicians? Can you include pictures?

French:

Topic: Seasons

Can you design your own weather forecast/poster for each seasons including the French vocabulary that you have learnt in class?
