

Physical Activity

This term in PE we will be focusing on athletics. Children be running, jumping, practising turn-taking, throwing and catching objects. You could practise these skills is at home.

Personal, Social and Emotional Development

This term we will be focusing on Friendship. Can you demonstrate the value of friendship at home? You can draw your friend and write something you like about your friend. Ask your parents to write a comment for your class teacher to read.

Communication & Language

Talk to your family about who your best friend is. Talk about what you like about them and what games you like to play with them.

What interesting facts do you know about your friends?

Under The Sea

This term our focus book is Tiddler by Julia Donaldson and Alex Scheffler.

You can watch it at home. Can you read any other books they have written? There are lots of rhyming words in this story.

Can you think of your own rhyming strings at home?

Eg hat, cat, bat, sat mat.

Reception Summer 1 Topic Homework

Understanding the World

Research how pollution is affecting our oceans. Find out which sea creatures are being affected by this and make a poster.

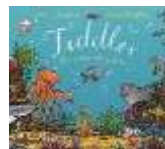

Expressive Arts & Design

Can you paint, draw or make an underwater picture linked to the story of 'Tiddler.'

Can you use different materials to add extra detail to your picture?

Buttons, ribbons, string etc.

Maths

Shape:

Take pictures of different 3-D shapes that you can see in everyday life. How many can you find?

Sphere		
Cone		
Cylinder		

Remember to talk about the properties of the shapes- the number of corners and shapes of the faces.

Number:

Write numbers from 1-20 in your homework book. This term we have been learning to double numbers. Use the link below to double numbers from 1-10.
